

Greetings from the Asia Safe Abortion Partnership! The first quarter of the New Year has whizzed by for us here at the Partnership, and we're happy to be able to share with you the highlights of what has kept us busy over these three months.

This quarter marks the 10<sup>th</sup> Anniversary of the Partnership's journey as advocates for safe abortion in the region!

In this journey, we have had the privilege of working hand in hand with some amazing partners working towards the transformation of the world as we know it. Some come in the guise of funders, some as Country Network mentors, some as Youth Champions, some as trainers. It is the Power of these Partnerships that has sustained us, helped us grow and evolve, ready to take on more challenges

The highpoint of this quarter has been an immensely successful conference that we hosted to mark this milestone. Titled **'The Power of Partnerships: Celebrating 10 years of movement building for Safe Abortion Advocacy'**, the conference was held on the **24<sup>th</sup> & 25<sup>th</sup> February, 2018** in **Bangkok, Thailand**.

We are delighted to share the highlights of the conference with you here:
